Postlude

Intermezzo R. Schumann
With Ailsa Zaenker

*Today's musical selections are excerpted from Robert Schumann's Opus 26, 'Faschingschwank aus Wien' ('Carnival Jest from Vienna'). In between the exuberant revelries of the mardi gras are moments of catch-your-breath repose. This juxtaposition of extrovert/introvert mood changes is typical of Schumann's fantasy characters in music. Ailsa Zaenker is a well-known Vancouver pianist and collaborator who is often a guest at UCV. She is currently the accompanist for the EnChor choir.

LAST WEEK, I RETIRED AS CHAIR of Program Coordinating Council after three years. Helping to facilitate the Unsung Hero Award and the Annual Reports were particular highlights. The Board will need to be searching for a new Chair in the weeks to come. The current Board liaison and I have drafted some suggestions for the Coordinating Council terms of reference. If you are interested in the work of the Council, feel free to request a copy of our recommendations. You can contact me at 604-263-4332 or RandallMacKinnon@yahoo.ca
