Our Whole Lives (OWL) values:

- Self Worth
- Sexual Health
- Responsibility
- Justice and Inclusivity

In 10 one-hour workshops, OWL models and teaches caring, compassion, respect, and justice.

It helps children in Grades 4-6 understand the physical and emotional changes of puberty. Participants explore values, communication and decision making, as well as physical health and development.

The HomeLinks feature opens lines of communication between parents and children, while a Word Bank reinforces new terms and definitions related to sexuality and puberty. This program is designed for groups comprised of Grades 4-5 or 5-6, or any of these grades individually.

OWL is a secular curriculum, appropriate in a variety of settings.

Sexuality and Our Faith is available separately as a religious supplement for Unitarian Universalist and United Church of Christ congregations.
