- acceptance of one another and encouragement to a spiritual growth in our congregations;
- a free and responsible search for truth and meaning;
- the right of conscience and the use of the democratic process within our congregations and in society at large;

Join Us!

We are an inclusive liberal religious community of diverse beliefs and shared values – spiritual growth, social justice, environmental sustainability, artistic expression, and compassion.

Who we are

Our members are part of a progressive religious tradition called Unitarianism that began in the sixteenth century.

We serve the Vancouver community through advocacy for social justice, environmental stewardship, gender issues, and support of the LGBTQ community. We promote interfaith dialogue, education, music and the arts.

Unitarians come from a wide variety of religious and secular backgrounds and from all walks of life.

We welcome diversity in thought, faith and practice.

Our Vision

Because we envision a more compassionate world, we seek to deepen our spiritual and religious lives, grow and enrich our congregation, and advocate for love and justice.

Religious education for children, youth and adults

The goals of our **Children's and Youth Programs** include helping each person develop into a mature, caring, and resilient individual with a sense of community, belonging, and a nourishing spiritual and ethical life.

Adult education courses enrich learning through a variety of topics, such as mental and emotional well-being, environmental stewardship, building your own theology and Unitarian theology and history.

A wide variety of groups meet regularly to offer social and spiritual fulfillment. These include covenant groups, sacred circle dancing, meditation sessions, book groups, potluck dinners and the Chalice Choir.
