## TODAY'S OUTREACH OPPORTUNITIES FUND RECIPIENT

---

This Sunday is our last Sunday collecting funds for the **Pivot Legal Society**.

Established in 2001, Pivot has worked in partnership with marginalized people and grassroots organizations to challenge legislation, policies, and practices that undermine human rights, intensify poverty, and perpetuate stigma. It has accomplished lasting changes that have resonated across the country, including protecting the constitutional rights of sex workers, working with vulnerable people who use drugs to breakdown legal barriers to life-saving harm reduction and drug substitution treatments, supporting victims of police misconduct and excessive force and helping homeless people secure important legal decisions confirming their rights.

\* Ulwiana has been dedicated to making the world a better place. She has led a composting program and has been an active member of the Mulgrave School environmental council in Grade 10 and is now in Grade 11 leading many initiatives.

Last year she spearheaded a project called the Clothing Consciousness initiative with a goal to educate students about fast fashion and its social and environmental impacts. She generated discussions about the responsibility of the consumer, and spurred action for more sustainable choices.

Ulwiana plans to take this work beyond our school through a not-for-profit business where she leads workshops for other schools.

\*\* I stumbled across this hymn in the old 1964 hymnal. – Elliott
