UNITARIAN CHURCH OF VANCOUVER

At the front of the church you will find unlit candles. You are welcome to light a candle in remembrance, in gratitude, in prayer, in celebration.

*The prelude helps to create a spirit for shared celebration and worship.
Please refrain from conversing and please turn off your cell phones.*

Warm Welcome!

Please visit our Visitors' Table in the Sanctuary foyer and get a nametag. Drop by the Welcome Table in Hewett Centre after the service and stay for coffee or tea and friendly conversation. Learn about our congregation. Look for people wearing yellow nametags, who are welcoming you today.

The Presence of Children is a Gift to the Church. Welcome!

If you are a new family visiting with children or babies please fill out a Children's Program visitor card at the Welcome Table so Kiersten Moore, our Director of Religious Exploration, can be in touch with you about our children, youth, and family programs.

Most Sundays, everyone begins the morning together in the Sanctuary for the first 10-15 minutes. We provide multi-age programming and special workshops for children ages 2-12 from 11:15 am – 12:15 pm. Community building, exploring traditions and values, questioning, and wondering are our goals. Babies and young toddlers may join us or stay with you in the Sanctuary.

Buddy Bags with a small stuffie, themed colouring book, and crayons are available in the foyer for use during the service. Please return them to the basket at the end; you may keep the colouring book. There is also a playroom for family use across from the kitchen in Hewett Centre.

<p>The seats in the rear of the church are <i>reserved</i>: (when facing the front) left side for those needing to slip in and out of the service, and right side for persons in wheelchairs & strollers.</p>

TODAY AT UCV

Parents of toddlers please check in at the Playroom with the Guides before the service. Depending on your child's needs and personality you and the Guides can decide whether your child stays with you or joins any older kids who attend.

Children's Program: We are committed to providing safe, compassionate, age-appropriate programming for all children and youth who attend or visit UCV. Our goal is to find the Fun with Meaning! Our Summer program is small and laid back, focused on games, gardening, and art led by volunteer guides and parents. Activities are open to both members and visitors. Everyone attends the start of service together through the chalice lighting, opening hymn, and story for all ages.

After the story children ages 3-12 may join our Religious Exploration Guides in Hewett Centre for garden activities, games, and art. (see note above about children under age 3).

Children and babies are welcome to remain with their adult family members through the service if they prefer.

Please meet your child in the playroom (Servetus room—across the Hall from the kitchen) or in the garden after the service: children under age 9 will remain with the Guides until met by a responsible family member.

Children and babies are always welcome in our worship services. To parents and responsible adults, we offer some tips to help you and your children be at ease:

- Mother Nature put the wiggle in children; don't feel you have to suppress it in our church.
- Sit towards the front where your child can see what is going on; backs of heads are boring! Help your child by being a role model.
- Gently and quietly remind them what we do in worship and explain what is going on.
- Answer your child's questions with a quiet whisper—they often whisper back.
- Encourage your child to work with their 'Buddy Bag' to help them concentrate on worship.
- If you have to leave the service with your child, please feel free to come back. We believe children belong in sacred spaces.
- The service can also be heard in the foyer and in Hewett Hall where a playroom is open for your use.

Nursing parents are welcome in any part of our building, if you wish for more privacy there is a comfy chair and a rocking chair in the Hewett Hall playroom.

Musical commentary

Although some people feel Bach is always “heavy”, these pieces in particular, I feel are as light as air. The F Sharp Major specifically, I picture as 2 balloons gracefully floating in the gentle summer breeze... perhaps always just out of reach
