An All-Congregation Worship Service

December 2, 2018

UNITARIAN CHURCH OF VANCOUVER

At the front of the church you will find unlit candles. You are welcome to light a candle in remembrance, in gratitude, in prayer, in celebration.

*The prelude helps to create a spirit for shared celebration and worship.
Please refrain from conversing and please turn off your cell phones.*

Warm Welcome!

Please visit our Visitors' Table in the Sanctuary foyer and get a nametag. Drop by the Welcome Table in Hewett Centre after the service and stay for coffee or tea and friendly conversation. Learn about our congregation. Look for people wearing yellow nametags, who are welcoming you today.

The seats in the rear of the church are **reserved**: (when facing the front) left side for those needing to slip in and out of the service, and right side for persons in wheelchairs & strollers. The UCV Campus is a non-smoking environment.

Join the Chalice Choir for a concert of seasonal music, featuring works by Ola Gjeilo, a modern Norwegian composer, and a singalong of Christmas favourites. Childcare provided. Reception to follow. SERMON DISCUSSION, 12:15 – 12:45 pm at a designated table in the Hall. Newcomers/regulars welcome!

FORUM: 12:30 – 1:30 pm in Fireside. Recently the BC Government announced a \$40B LNG expansion on BC's North Coast, with other LNG projects in process including one just north of Bamfield. What are the potential impacts of fracking, pipelines and large LNG tankers? What does this mean for our coastal waters, land and environment – and for meeting BC's Climate Action Plan? Eoin Finn has spent the past several years researching safety, climate, environmental and economic aspects of BC's proposed fossil-fuel projects, including gas and dilbit pipelines and LNG plants. His combination of scientific and business credentials and experience give him a unique perspective on the trade-offs involved in fossil fuel and other energy projects. Presentation followed by Q&A. Sponsored by the Environment Team.

CURRENT ART EXHIBITION: M. Carscience: *The Light of All Things*. A collection of abstract light paintings. The images are made with a technique the artist calls "experimental optics," curious experiments with digital photography and disassembled camera lens parts, which transforms the light of our illuminated environment into tableaux that challenge perceptions and invite the imagination to explore new realms.

Families with Children, Welcome!

Our Director of Religious Exploration, Kiersten Moore, coordinates a team of staff and volunteer teachers to provide programming for children (up to age 12) and youth (secondary school age). We build community, explore traditions and spiritual practices, ask big questions, and nurture individual power to bring love and justice forward. Visit our website for more information www.vancouverunitarians.ca or email Kiersten at dre@vancouverunitarians.ca There are many volunteer opportunities within the program and it is a great way to be involved, deepen spirituality, and build connections.

Buddy Bags with a small stuffie, themed colouring book, and crayons are available in the foyer for use during the service. Please return them to the basket at the end; you may keep the colouring book. There is also a playroom for family use across from the kitchen in Hewett Centre.

Nursing parents are welcome in any part of our building. If you wish for more privacy there is a comfy chair and a rocking chair in the Hewett Hall playroom.

Children and Youth on Sundays

Everyone begins the morning together in the sanctuary for the first 10-15 minutes of worship through the *Story for All Ages*. The First Sunday of each month everyone remains in the Sanctuary for worship together (nursery care is available during all-ages services), 2nd to 5th Sundays children (up to 12) and youth (13-19) continue their Explorations across the courtyard in Hewett Centre.

Responsible adults must pick up children under age 9 from their classroom at 12:15 pm, Youth Group runs until 12:30 pm, older children and youth will be released to meet their family in the hall for coffee hour. You may join your child in Explorations, but we encourage giving them their own time whenever possible.

Colour Buttons Identify Teachers and Advisers

Orange: Toddler Watch--attending to babies and children under 4 within the Children's Program.

Green: Children's Program Leaders and Assistants

Yellow: Youth Advisers

Children and babies are always welcome in our worship services. To parents and responsible adults, we offer some tips to help you and your children be at ease:

- Mother Nature put the wiggle in children; don't feel you have to suppress it in our church.
- Sit towards the front where your child can see what is going on; backs of heads are boring! Help your child by being a role model.
- Gently and quietly explain what is going on, how people are listening or participating.
- Answer your child's questions with a quiet whisper—they often whisper back.
- Encourage your child to work with their Buddy Bag to help them concentrate on worship.
- If your child needs to leave the service, please feel free to come back. We believe children belong in sacred spaces.
- The service can also be heard in the foyer and in Hewett Hall where a playroom is open for your use.
