

Mark Brunke

January 20, 1955 - June 11, 2018

Mark moved to Canada from California in 1974 to study psychology at SFU.

Mark was the ultimate host, loving to make sushi dinners for friends and family. His Men's Group met every two weeks for twenty eight years.

He was a counsellor for thirty years.

Mark was an active member at UCV including on the Committee on Ministry and loved the Services auction. His offer of a Japanese dinner was so popular he started raffling off two seats so that many people could have a chance at it.

He once did a sermon comparing our culture to that of gambling in Las Vegas. He felt Las Vegas had a lot to recommend itself in terms of hospitality!

Mark's wife Shirley attends UCV.
