ALL: Our agreement together is that we will celebrate each other in our diversity and that we will take responsibility, personally and together, for the world in which we live. If we are to prosper as a community, each of us must contribute to the on-going life of the group and find meaning in such participation.

NEW MEMBERS: In joining this community, as a free and responsible person, I acknowledge my desire to be, and to become, to belong to and help build, a free and responsible religious community.

CONGREGATION: To you who are becoming fellow members of this beloved community, we extend our welcome. May our journey together be richly fulfilling. May it bring our shared aims and ideals more fully to realization.
