Benediction Rev. Lara Cowtan

Valediction *Carry the flame of peace and love, until we meet again
Carry the flame of peace and love, until we meet again*

** Bach did not just happen to write a bunch of preludes and fugues, somehow ending up with one in each key. It was a conscious and deliberate plan. It was his pedagogical **intention** to compose a Prelude and Fugue in each of the 24 major and minor keys, in order to demonstrate the flexibility of equal temperament. – Elliott*
